

glassOTO GLASS FUSE - GLAF5000 SERIES

PART NR.
See rating table

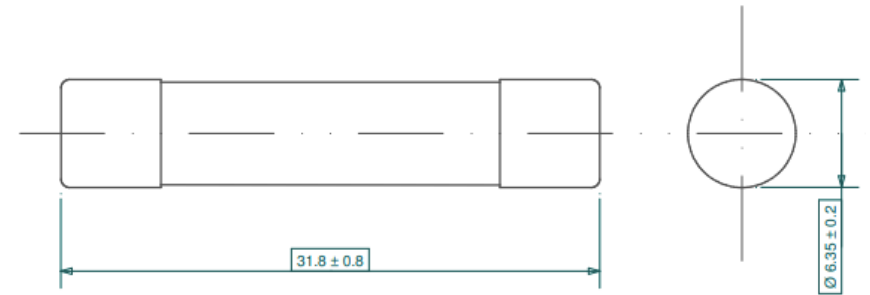

COUNTRY OF ORIGIN:
France

STANDARDS:
REACH and RoHS compliant

CHARACTERISTICS

- Glass tube with copper alloy, nickel plated caps
- Marked with voltage and current rating
- Range from 1A up to 50A
- Cap enclosed solder joints

PHOTO / TECHNICAL DRAWING

DIMENSIONS

L x Ø: 32 x 6,3 mm

* Not per standards

TECHNICAL SPECIFICATIONS

Material body:

Glass tube with copper alloy, nickel plated caps

Operating ambient temp.:

15 ~ 35 °C per standards

Cycling test:

According to IEC 127 and BS 4265
