

CABLE TIE FASTEN TOOL

PART NR.
EPCT0021

COUNTRY OF ORIGIN
Taiwan

STANDARDS
REACH and RoHS compliant

CHARACTERISTICS

- Semi-auto module for tightening and cutting stainless steel cable ties
- Loop the cable tie around the bundle and enter sideways into the tool
- Squeeze the handles as many times as necessary to tighten the tie to the desired tension
- Maintain the final handle pressure and rotate the cutter bar up, until the excess tie is cut off
